

## Standard Web Hosting Package

Price: ~~£4.99~~ £2.49

### Short Description

Our standard web hosting package, perfect to help any business grow.

2 GB space.

### Description

This is our most popular hosting package as like all our packages it resides on a dedicated SSD server which means that even for this low pricing you gain blisteringly fast web hosting services.

In addition, like all our hosting packages, this package comes with a full featured cPanel installation so you have complete control over your online business.

**Please note:** Once your order has been processed we will create an automatic recurring order for you through our billing system. There are no minimum terms (unless otherwise stated) for any of our hosting packages and you can cancel at any time.
