

Light Web Hosting Package

Price: ~~£2.49~~ £1.00

Short Description

Our entry level SSD web hosting package.

1 GB space.

Description

This is our most popular hosting package and resides on one of our dedicated SSD servers which means that even for this low pricing you gain blisteringly fast web hosting services.

In addition, like all our hosting packages, this package comes with a full featured cPanel installation so you have complete control over your online business.

Please note: Once your order has been processed we will create an automatic recurring order for you through our billing system. There are no minimum terms (unless otherwise stated) for any of our hosting packages and you can cancel at any time.
